It was hard to decide which of the lovely photos Thomas van der Luit, a FENA member from the Netherlands sent us for our calendar. What could be more romantic for Valentines Day than his 1946 Ford 9N by a castle. It is one of the last because it has a 8N block, but 9N governor, water-pump etc.

On his way to the show in Tulare, CA 2010, Dwayne Russell, of Palmdale, CA couldn't resist staging this shot of his newly restored 1953 TEA20 that had been in their family for over 50 years. The tractor was featured last year in Ferguson Furrow's Issue 46 "The Tractor Ride of a Lifetime". We hope that many of you can meet up with Dwayne this year at the Tulare, CA show, where Ferguson is the featured tractor. You might even get to see the CA. poppies in bloom.

<p>You never know what a chance encounter will lead to. In June, 2010, at a tractor show in Rancho Santa Margarita, CA, Judy & Jim Kitson visited with the people and passed out flyers about FENA. In September Ron Zega of Agua Dulce, CA, sent an email in response to that meeting, requesting more information. He also sent this nice photo of his Ferguson TO-30. Judy sent a reply and Ron became a FENA member.</p>					1	2
